

of \$450,000 to illegal immigrants who were arrested during the previous administration.

How on Earth is this acceptable in the United States of America? What has happened to our basic understanding of the rule of law? I refuse to allow a half-million-dollar handout of hardworking taxpayers' money to those who came here illegally.

That is why I am proud to support the Illegal Immigrant Payoff Prohibition Act, introduced by Congressman MCCLINTOCK, which would prevent the attorney general from making these payments.

It is very simple: illegal immigrants should not be rewarded for breaking the law.

MADE IN AMERICA TAX

(Mr. MOORE of Alabama asked and was given permission to address the House for 1 minute.)

Mr. MOORE of Alabama. Madam Speaker, President Reagan said it: The government's idea on the economy is when it is moving, you tax it; if it keeps moving, you regulate it; when it fails, you subsidize it.

If the government would stop taxing and regulating, we wouldn't need the subsidizing. The Democrats are the champions of Big Government because they would rather gain power through taxes and regulations than see our economy actually grow. That is what their tax-and-spend agenda is all about, it is power.

Today, the Biden economic crisis is raging, yet President Biden and Speaker PELOSI are pushing the made in America tax that will only aggravate the crisis facing all of America. The made in America tax policy will drive up taxes on U.S. firms and workers both at home and in every country they do business in around the world.

This bill would also create a complex, parallel tax system that punishes investment in American production, permanently stop key domestic mineral development, and allow China to continue to have a monopoly on critical mineral markets.

The Democrats' made-in-America tax would give more power to Washington, but make it better for a foreign company or a foreign worker than for an American worker.

We need leaders in Washington who will put Americans first.
